Harrow Association of Disabled People
The Wealdstone Centre, 38-40 High Street, Harrow, HA3 7AE

Oppose Harrow Council's cutting of HAD's Welfare Benefits Team.

The HAD Welfare Benefits team have decades of experience and success helping disabled people. Each year they assist over 1,000 people with disabilities in Harrow to claim more than £1,000,000 in benefits from the government; so they can then live their lives with independence and dignity. ***This service will cease if Harrow Council continues with its proposed cuts to voluntary sector funding.***

We the undersigned demand that the council continue the £27,000 pa required to directly fund the HAD Welfare Benefits team.
